

## St. Patrick's Day Menu

(15 - Minimum Order)

### *St. Patrick Day's Corned Beef Brisket*

This traditional Irish dish is the centerpiece of your St Patrick's Day table. We take our time cooking the Beef Brisket on low heat in "706" corn beef spices to achieve optimal tenderness.

### *Medley of Cabbage and Carrots*

Our St. Patrick Day menu wouldn't be complete without the hearty medley of cabbage and carrots that have been simmered in the spiced corn beef drippings.

### *Shepherd's Pie Potato Bowls*

Don't be fooled. These aren't ordinary twice-baked potatoes: beneath the golden mashed potato top is a rich beef, peas and carrots filling. And, unlike your casserole dish, the potato bowls are also edible.
